CLOSE DATE: 12:01 (AEDT), Tuesday 23 April 2019

Position Description

Country Director

Country Office:	Myanmar
Location:	Yangon, Myanmar
Position reports to:	Principal Executive International Operations
Position Type:	Fixed Term – 3 years, Full Time

About CARE Australia

CARE International (CI) is an humanitarian aid organisation fighting global poverty, with a special focus on working with women and girls to bring lasting change to their communities. As a non-religious and non-political organisation, CARE International works with communities to help overcome poverty by supporting development projects and providing emergency relief. We know that supporting women and girls is one of the most effective ways to create sustainable outcomes in poor communities.

For almost 75 years, CARE International has been renowned for our innovative, sustainable and effective long-term development projects. All our projects are designed to equip the people we support with skills and resources so they can take charge of their lives and work towards a better future. CARE International has also earned a reputation for our ability to respond quickly to emergency situations in areas as diverse as the Pacific, Middle East and East Africa.

CARE Australia is a member of the CARE International confederation and together we strive for a world of hope, tolerance and social justice, where poverty has been overcome and people live in dignity and security.

CARE Australia manages the Myanmar Country Office on behalf of CARE International and is responsible for program design, implementation, monitoring and evaluation, as well as management and contractual control of all projects on behalf of CARE International. As a consequence, we have a high degree of accountability and transparency. CARE Australia is committed to protecting the rights of children in all areas we work around the world. We depend on support from the Australian public to carry out our work.

About the Country Office

CARE International Myanmar's Program Strategy is explicitly oriented around supporting impacts for particularly vulnerable and marginalised groups in Myanmar. CI Myanmar recognises that the key to achieving equitable development outcomes lies in shifting deeply rooted, structural underlying causes of poverty which contribute to exclusion and vulnerability of particular groups in society. CI Myanmar's Strategy identifies the empowerment of women as a key pathway to equity; linked to two long-term programs with Rural and Conflict-Affected Women and Marginalised Urban Women. CARE International has worked in Myanmar since 1995 in long-term development programs and emergency relief and rehabilitation assistance. Currently, CI Myanmar is undertaking activities in five states and two divisions (regions): Kayah, Kayin, Mandalay, Mon, Rakhine, Shan and Yangon. CI Myanmar has twelve current

projects with an FY 2019 annual program value of USD 5.9 million. CI Myanmar has approximately 180 staff. CI Myanmar's engagement focuses on health, women's empowerment, prevention of gender-based violence, education, livelihoods, and disaster risk reduction.

About the Role

Reporting to the Principal Executive International Operations of CARE Australia the CARE International Country Director provides effective leadership and management to CI Myanmar staff and other stakeholders to undertake CI Myanmar's role in addressing poverty and injustice and providing humanitarian assistance when needed consistent with CI's Vision, Mission and Focus.

Gender, diversity and inclusion

CARE Australia respects and values diversity, and does not discriminate on the basis of race, gender, ethnicity, age, disability, religion or politics. We are committed to embedding gender equality, diversity and inclusion throughout our organisational practices and in the programs we deliver and this commitment is reflected in all of our processes and policies, including recruitment and selection.

Our selection decisions embody transparency and fairness from the outset of a recruitment process through to the selection decision. This is demonstrated through advertising roles as broadly as possible and basing the selection of the successful applicant on merit. We endeavour to mitigate any potential bias through our selection committee shortlisting processes by ensuring all selection committees are comprised of gender balance and independence.

To ensure all candidates can compete on an equal basis in the application and interview process, CARE will provide reasonable accommodations for assistance where requested. If you have any requirements that need to be considered as part of your application process, e.g. interpreter, disability, longer time allocation for interview, etc, please do not hesitate to let us know.

The recruitment process and expected timeframes

CARE Australia appreciates the time and effort taken to apply for a position with us. Tips on how to prepare a CV

Your CV is one of the most useful tools in demonstrating your suitability for a role. When preparing your CV it is important to remember the following:

- Keep it simple and succinct, we recommend approximately 2-4 pages;
- List your relevant work experience in chronological order, starting from your current or most recent role;
- Do not just outline each position and employer, be sure to include your responsibilities and achievements whilst in each position;
- Ensure relevant personal information is provided such as your name, contact number, address and email address as well as any period where you might be un-contactable;
- List your qualifications, the institute in which you received them and the year;

- Outline at least 2 professional referees, their current role, contact details and their relationship with you. Friends, colleagues and associates are not suitable as referees.;
- Explain any gaps in your career (travel, having a family etc);
- Outline any relevant volunteering opportunities;
- Do not use abbreviations, slang or jargon; and
- There is no need to insert pictures or graphics, or attach any certificates or referee reports.

Tips on how to prepare a cover letter covering the key criteria

It is important to not only rely on your CV when submitting an application. When preparing the cover letter it is important to:

- Briefly outline how your skills, experience, qualities and knowledge enable you to meet the criteria and perform highly in the role, include an overview of your relevant experience, responsibilities, achievements and examples to demonstrate your suitability for the position. Your resume is a good place to look first at determining your relevant skills, experience and achievements;
- Use relevant and specific examples to support your claims, and clearly outline what your role was in the example;
- When structuring your responses you may consider utilising is the STAR model – that is:
 - Situation – provide a brief outline of the situation or setting
 - Task – outline what you did
 - Approach or action – outline how you did it
 - Result – describe the outcomes
- Be honest and factual; and
- Edit, proof and re-read several times to ensure there are no errors and that you have answered all aspects of the criterion.

Why work for us?

CARE Australia is one of Australia's largest international aid and development agencies. By working for CARE Australia, you will make a direct contribution to the ongoing fight to address global poverty. As an organisation that pursues best practice in the work we do, we seek to support our staff through offering a comprehensive package of salary and benefits to complement and enhance your work with us.

Here is a brief list of some of the benefits available to CARE Australia staff. Note that outside of Australia, some benefits may vary from country to country to take into account local needs and differences.

Packaging

As part of your overall salary, all Australia-based employees have access to our flexible and generous salary packaging scheme which you can tailor to suit your own needs. Our salary scales are reviewed annually to reflect the cost of living.

Workplace diversity and flexibility

As part of our business commitment to Gender Equity and Diversity, we recognise that our staff may need flexibility to manage their life outside of the office. At CARE Australia, we have a range of creative solutions that may be negotiated where possible, on a case-by-case basis, to help you balance work with life. Examples include alternative or reduced hours or job sharing arrangements.

Performance management

Our performance management framework helps you work closely with your manager to plan, manage, review and give feedback about your performance throughout the year, leading to a salary review based on your continuous improvement. Team work is part of our culture and we provide training to our staff and managers in communication and decision making skills to ensure we remain engaged with the work we do.

Leave entitlements

CARE Australia employees have access to standard annual, personal leave and additional leave in recognition of long service. We have paid Parental leave, and for staff on overseas postings we offer rest and rehabilitation leave and annual home leave in recognition of difficult working conditions.

Professional development

Our employees are amongst the best in their fields, and if an opportunity exists to help you continue to build your professional skills and prepare for future aspirations, our Professional Development opportunities will help you do just that. Ongoing staff who have been with us for longer than 12 months

have the chance to apply for our Study Support scheme – helping you with reimbursements towards gaining a formal tertiary qualification.

Employee Assistance Program

Our company-paid Employee Assistance Program provides support to our staff and their immediate family members through a free counselling service where any work or personal issues can be discussed confidentially.

Please note, this represents just a small selection of the benefits available to CARE Australia staff and does not constitute a legally binding document. Entitlements and other development opportunities are often subject to a qualifying period.

Privacy Statement

Your privacy is important to CARE Australia (CARE). Please read this privacy policy carefully as it describes how we handle your personal information.

CARE is committed to protecting and securing the privacy and confidentiality of your personal information. If at any point you want to know more about our policy, or are worried about your own details, or have ideas on how we can improve our practices, do let us know via jobs@care.org.au.

In particular, CARE must adhere to the *Australian Privacy Principles* (“**APPs**”) in relation to collecting, holding, using, disclosing, securing and allowing access to your personal information.

We may revise this privacy policy from time to time by publishing a revised version on our website. That revised version takes effect from the time it is published.

Collection of personal information

CARE collects and uses personal information about you in relation to your application for employment of volunteer/intern engagements with CARE.

Your information is collected from you at the time you complete your application for employment or volunteer/intern engagement through our recruitment system. From time to time we may obtain personal information from third parties such as referee reports. When we do so, we will take reasonable steps to ensure that we make you aware of the collection of your information in accordance with Australian privacy law.

‘Personal information’ simply put is any information or opinion that can identify or be used to identify you.

During our recruitment process, CARE may conduct some or all of the following pre-employment screening checks:

- Confirmation of qualification/education levels;
- Confirmation of previous employment;
- Criminal history/background checks;
- Working with vulnerable children;
- Health check; and
- Reference checks.

Why does CARE Australia collect this information?

- To determine your suitability for employment or volunteer/intern engagement.
- So we can complete all necessary steps in preparing you for your employment or volunteer/intern engagement should you be successful.
- So we can contract you about your current application or future employment or volunteer/intern opportunity.

Disclosure of personal information

The information you provide us with will be disclosed to the CARE HR Branch and selection committee members directly involved with the recruitment process.

How CARE stores your personal information

Your information will be stored by our e-recruitment provider in the cloud on services located in Australia. We require this third party provider, through our agreements with them, to comply with our security guidelines and privacy laws.

Access to personal information outside Australia

We are an international organisation with internal information sharing between our country offices. This means that it is possible your personal information may be shared with our offices based outside Australia if selection committee members are based overseas.
